

IPQ SUBSCRIPTION INFORMATION

Annual on-line access to IPQ can be purchased as a single person or company/organization-wide subscription. Our reduced fees for new subscribers make it easy to get to know our mission and value. Just contact IPQ's Outreach and Operations Director Jonathan Trethowan (Jonathan@ipq.org), who will be happy to help you on board. We would very much appreciate your support and invite you to come join us "Inside the Global Regulatory Dialogue." Click [here](#) for more on IPQ.

Single Person Subscription:

\$3000/year

Additional single person subscriptions when purchased together are \$1000 each/year. Single person subscribers are requested not to share IPQ's content within a company or externally without permission.

Company/Organization-wide Subscription:

IPQ encourages taking advantage of the added value and cost-effectiveness of a company/organization-wide subscription. The fee is based on the total number of employees at the company/organization rather than on the number of users.

Number of Employees	Fee
Up to 100:	\$5,000
100-500	\$6,000
500-1,000	\$7,000
1,000-2,000	\$8,000
2,000-5,000	\$10,000
5,000-10,000	\$15,000
10,000-20,000	\$20,000
20,000-100,000	\$20,000 plus \$1000 per 5,000 employees
Above 100,000	\$36,000

Special subscription pricing is available for suppliers to the pharmaceutical industry and companies that have significant non-pharma-oriented components.

University or Governmental Agency Subscription:

\$3000/year

Through a partnership with the National Institute for Innovation in Manufacturing Biopharmaceuticals, IPQ is providing a full subscription to NIIMBL's academic members. In cooperation with the association CASSS, IPQ is also extending access to LMIC agencies.
